

AKT70LE Adjustable Keyboard Tray

The AKT70LE is the value keyboard tray solution featuring an easy to use lever-arm mechanism for height adjustability, and a pull-tab system for tilt adjustment.

Single platform for keyboard and mouse.

Lever adjust arm.

Compatible with Ergonomic Keyboards

Use 3M™ WR314MB Wrist Rest (shown here - sold separately) in place of wrist rest included with AKT.

- Lever-arm adjustment for height and tilt. Simply flip the lever to adjust height and pull the tab to adjust tilt.

- Gel wrist rests for keyboard and mouse add comfort by minimizing pressure points. Leatherette cover lasts longer than fabric-covered wrist rests and is easier to clean.

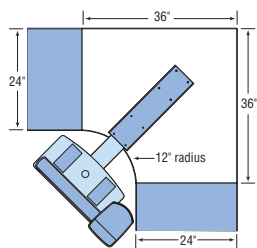

- Basic single platform accommodates both keyboard and mouse. 3M™ Precise™ Optical Mousing Surface is positionable left or right.

- For corner workstations or straight-on workstations that can accept a 21" track. 5 year warranty.
