## Steelcase Universal Cable Management Kit

Beneath most desks is a growing chaos of cords. The Steelcase Universal Cable Management Kit makes neat work of power access and discreetly mounts under all Steelcase worksurfaces, fixed or height adjustable.

Use with Steelcase Powerstrip Intro, Powerstrip Plus or Pop-up Powerstrip to add convenient USB-C, USB-A and standard power outlets above the worksurface and under-worksurface utility power below – with one-cord-out simplicity.

## Features + Benefits

### Accessible but out of sight

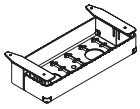

Two tray sizes accommodate four to nine utility power outlets. The tray's hinged design folds open for easy access and snaps shut when you're done.

Under worksurface power can be used alone or paired with above the worksurface power solutions, while keeping cords neat and concealed.

### Smart straps keep cords compact

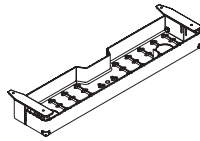

Inside, power blocks slide securely into mounting slots within the tray, and smart straps – a proprietary feature inspired by suitcase compression straps – are used to keep cables compact. When not in use, the straps store in pockets built into the tray.

## Statement of Line

### Small Tray

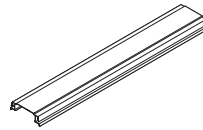

3 1/2"H x 15 1/2"W x 7 4/5"D  
Style #: DSTRAYSM

### Large Tray

3 1/2"H x 30"W x 7 4/5"D  
Style #: DSTRAYLG

## Additional Horizontal Cable Management Solutions

### 6"D Wire Manager

Wire Manager attaches to a clip that is affixed to the underside of the worksurface top.

Finishes: 6000 Black or 6249 Platinum

6"D x 2"H x W Options: 30.5", 36.5", 42.5", 48.5", 54.5", 60.5"

Style #: AWMXL##: AWMXL30, 36, 42, 48, 54, 60

### 1-3/4"D Wire Manager

Wire Manager affixes under the worksurface top to provide sturdy cord management. Ease of assembly with convenient side slit access.

Finishes: 6000 Black

1.75"D x 1.75"H x W Options: 06, 12, 18, 23, 30, 35, 42, 48

Style #: AWM##: AWM06, 12, 18, 23, 30, 35, 42, 48
